Citation No. 15-1872

Appeal of Adjudication and  
Order of Administrative  
Law Judge

Note: Board Minutes are not officially approved until all required signatures are affixed.

Michelle Fox, Executive Deputy Chief Counsel, was asked to explain the facts and circumstances surrounding this matter.

Ms. Fox explained the matter as follows. The Pennsylvania State Police, Bureau of Liquor Control Enforcement (“BLCE”) issued a citation charging Licensee with six different counts: operating without a valid heath permit; failing to require patrons to vacate the premises at 2:30 a.m.; permitting patrons to possess alcohol after 2:30 a.m.; selling alcohol after 2:00 a.m.; selling alcohol on Sunday after 2:00 a.m.; and permitting smoking. An evidentiary hearing was held during which the administrative law judge (“ALJ”) sustained all six counts of the citation. The ALJ imposed a \$150.00 fine with regard to the first count and a 14-day suspension with regard to the other counts. Licensee filed a timely appeal from the ALJ’s decision. On appeal, Licensee did not contest the ALJ’s decision to sustain the charges, but instead sought to have the suspension reduced from 14 days down to 5 days.

Ms. Fox explained that since the penalties imposed by the ALJ fall within the permissible penalties as set forth in the Liquor Code, the Board’s appellate scope of review does not allow it to alter the penalties. Thus, the Office of Chief Counsel recommended that the ALJ’s decision be affirmed on all counts with the suspension dates being reset.

Board Member Negra noted that in a transfer case there would be an opportunity to have a suspension converted to a fine, and he questioned whether that possibility would exist for this type of matter.

Ms. Fox and Jerry Waters, Sr., Director of Regulatory Affairs, responded by indicating that such option would not be available in a citation proceeding and also noted that, even in the context of a transfer, only the new applicant would have the ability to seek a conversion.

Board Member Negra then commented that it seems like Licensee may have been double-charged for some of the infractions.

Ms. Fox responded by explaining that the BLCE had the discretion to determine what charges to include in the citation when it was issued.

**Motion Made:** Board Member Negra  
**Seconded:** Board Member Newsome

**Board Decision:** Unanimously agreed (3-0 vote) to Affirm the ALJ.

**OTHER ISSUES**

*Delegation to Executive Director*..... *Secretary Stark*

Secretary Stark announced that there was a proposed delegation of authority being presented for consideration that would delegate authority to the Executive Director or his assignees to approve certain wine and spirits purchasing and pricing actions, and he has asked Michelle Fox, Executive Deputy Chief Counsel, to explain the proposed delegation.

Ms. Fox first explained that the Board has the ability to delegate authority to executives or employees to approve certain ministerial actions pursuant to established criteria. She noted that the Board has previously exercised its delegation authority for some licensing and contracting actions.

Ms. Fox went on to explain that, with the recent passage of Acts 39 and 85, the PLCB now has more flexibility relative to how it prices products, which in turn affords the PLCB more opportunities in terms of negotiating better prices from vendors and offering discounts to licensees and consumers. These new opportunities will require the PLCB to make decisions regarding the cost at which to purchase or acquire products and the prices at which to sell products with more frequency, and these day-to-day business

decisions do not lend themselves well to independent review and approval by the Board since it only meets every two or three weeks. Thus, the business needs of the agency at this particular time warrant the delegation of certain authority relative to wine and spirits purchasing and pricing actions. While the Board would continue approving new listings and delistings of all products purchased for resale, the proposed delegation would authorize the Executive Director or his assignees, subject to certain conditions, to approve any decisions regarding the cost at which to acquire such products from suppliers and the prices at which and the manner in which such products will be sold by the PLCB, including the amount and timing of any discounts. The delegation would also require that the Executive Director or his assignees keep the Board apprised in a timely manner of all purchasing and pricing decisions made under the authority of the delegation.

**Board Decision:** Unanimously agreed (3-0 vote) to Approve the Delegation of Authority to the Executive Director or His Assignees to Approve Certain Wine and Spirits Purchasing and Pricing Actions, Subject to the Conditions set forth in the Proposed Delegation.

***Recognition of Executive Staff and Employees ..... Board Members***

Chairman Holden noted that Act 39 recently went into effect on August 8, 2016, and he expressed his thanks and appreciation to the PLCB’s executive team and employees for their hard work and efforts in preparing for and implementing all of the necessary changes. He commented that everyone did an outstanding job.

Board Member Negra also joined in expressing his thanks and appreciation to the PLCB’s executive team and employees for a job well done. He noted that he has engaged in conversations with several people from across the street, and they seem very pleased with everything that the PLCB has been able to accomplish relative to Act 39 in such a short period of time. He asked that everyone keep up the good work moving forward.

Finally, Board Member Newsome also joined in expressing his thanks and appreciation to the PLCB’s executive team and employees. He indicated that he recently spoke to the Governor, and the Governor is very pleased with the PLCB’s progress in implementing the Act 39 changes. He added that the Governor wished to personally thank everyone for their hard work and efforts. He noted that there is still a lot that needs to be accomplished, and he asked that everyone keep up the good work.
